

**HELP US DEFEAT PHYSICIAN ASSISTED SUICIDE
LEGISLATION IN MARYLAND**

	<p>Select a person from your congregation to serve as point of contact liaison with the Maryland Against Physician Assisted Suicide coalition.</p> <p><i>Appointing a dedicated contact person from your congregation will ensure that your members receive important coalition messages at the right time, without adding a burden to your already-busy schedule. Find out more here: http://stopassistedsuicidemd.org/pan</i></p>
	<p>Insert the “Know the Facts 2015” document in your congregation’s weekly communication (e.g., email, newsletter).</p> <p><i>Inserting this sheet in your weekly email, newsletter, bulletin, or mailing will ensure your membership receives all the information they need to help combat physician assisted suicide, and protect vulnerable community members.</i></p>
	<p>Contact Legislators through Maryland Against Physician Assisted Suicide’s Online Portal</p> <p><i>To facilitate constituent communications, the Maryland Against Physician Assisted Suicide coalition has an online tool that facilitates easy outreach to members of the Maryland General Assembly. Ask your Point of Contact to help your congregation members to contact their legislators. http://stopassistedsuicidemd.org/take-action/contact-your-legislator/</i></p>
	<p>Make a pulpit announcement about the dangers of legalizing physician assisted suicide</p> <p><i>Educate your congregation about this issue and ask them to take action to help oppose it.</i></p>
	<p>Educate your social media community by posting information on your organization’s Facebook & Twitter accounts</p> <p><i>Reach out to us on Facebook, share our posts and Tweets, check out our online resources on our website. Run into a problem or a question? Contact us at campaign@stopassistedsuicidemd.org.</i></p>
	<p>Join other Prince George’s County/Baltimore faith leaders at the upcoming November 2015 PAS informational event. Invitation forthcoming.</p> <p><i>It’s time to speak frankly about Physician Assisted Suicide: what it is, how it impacts our communities, and – most importantly – how it affects the least fortunate among us. Keep an eye out for an invitation to this informative discussion session, which will feature key note speakers, and an open forum on the topic.</i></p>
